

WEDNESDAY WAG
http://www.users.on.net/~rlta/fixtures_ladies.htm

April #2/2009 (page 1/2)

❖ Paper Towels

The Main Body has advised that it will not supply paper towels. A cost analysis was conducted and many options were explored but the consensus from the Main Body Committee members was that the cost is not justified. Please note, however, as mentioned in the March Wednesday Wag, towels will be supplied every Wednesday for the use of players at a cost paid for by Mid Week Ladies.

❖ Website

We hope you are enjoying your visits to this site. Thank you to the many players who have offered support of and positive comments about this initiative. It's easy to access, navigate and regularly updated. A very special mention is made of Ian Somers and Tania Carroll who are maintaining the site for us on a weekly basis. Hard copies of all documents will continue to be available so that players have access to either or both forms of communication. Further comments are more than appreciated (through Lavinia or Tania) so that the site can best meet your expectations.

April #2/2009 (page 2/2)

❖ Mothers' Day Raffle

Tickets are still available for this important fundraising raffle. Extra tickets are available from Desley. All tickets need to be accounted for (sold/unsold) at close of play Wednesday 29 April. Our profits from 2008 were \$202 so here's hoping we can raise just that little bit more this year. Gratitude is expressed to Desley & Maureen for overseeing this raffle.

❖ Player Contact Details

Tania has finalised the contact list (Copy#2) for all registered players for Season 1, 2009. We all know how valuable this register is when we are looking for a substitute player in an emergency. Thanks again Tania for the wonderful work she is doing behind the scenes as Point's Secretary.

❖ Children's Playground

The Main Body, through Maureen, has asked that players indicate whether they think the playground, located next to Court 7, should be re developed. All members e.g. Monday night fixtures players, are being asked to offer their comments. Please contact your Section Delegate (Section 1 - Helen, Section 2 - Daphne & Section 3 - Cynthia) as soon as possible with your views and these will be collated by Maureen. She will then report back to the Main Body at the 21 April, Main Body Committee Meeting.
