

Wednesday Wag 2009

March #1

Welcome one and all to 2009. A total of 21 teams have registered. A great start and remember there is always room for more teams in Season 2 - so spread the word.

Attendance at the AGM was really pleasing. 49 members present, 13 apologies; 20 teams represented with business being dealt with in just over an hour. A warm welcome is extended to our new Committee members and those players joining us for the first time.

❖ Paper Hand Towels

As in 2008, these will be replenished (& paid for by Mid Week Ladies) every Wednesday morning for use during the day. Supply of towels at other times is being considered by the Main Body who will advise of a decision as soon as possible.

❖ Website

www.rlta.org.au & follow the links to Mid Week Ladies fixtures. Tania Carroll has arranged for the publication of the points tally on the RLTA website. Thanks Tania for organising this. Likewise, the 2009 AGM Minutes, a list of the 2009 Committee members & contact details and this Wednesday Wag (along with others throughout the season) are available. Within weeks, the 2009 Rule & Conduct Book will also be available. Hard copies of all documents will be placed on the Mid Week Ladies' noticeboard at the Association and Redland Bay.

❖ 2009 AGM Minutes & 2009 Rule & Conduct Book

All teams should by now have both documents. If not, please let Lavinia know. Captains are asked that the 2009 Rule & Conduct Book be kept for the entire year, accessible to all team members every week.

❖ Mothers' Day Raffle

Tickets are now available for this important fundraising raffle. Thanks in advance for your efforts. All tickets need to be accounted for (sold/unsold) by Wednesday 29 April.

❖ Player Contact Details

Please bear with us as we finalise a contact list for all registered players for Season 1, 2009. We all know how valuable this register is when we are looking for a substitute player in an emergency.

The very deepest of sympathy is extended to Gwen Little's family and friends on her recent passing. A number of current players attended her funeral which was a true reflection of how significant Gwen's contribution was, over many years, to the Association and especially, Mid Week Ladies. A floral tribute was organised on our behalf by Maureen.
